

# Smokin' Bones

We believe the customer likes to see the meat being prepared, not rolled out from the back of a truck or van. Our meats are Minnesota raised, and processed. We cook and prepare the meals on site. I have personally competed in BBQ completions and have won multiple awards and ribbons and I am always there to answer any questions you may have.

Our menu is designed to feed groups of fifty or more. Simply choose the items from the menu that meet your specific needs. We provide all the additional BBQ necessities for your gathering such as rolls (for pulled pork and beef sandwiches) dessert, plates, utensils and condiments along with, our in house BBQ sauces and moist towelettes. On the ribs and chicken you can order it Wet (Sauce on), Dry (Classic Dry Rub) or sauce on the side. *Children's menu is also available.*
